

7 September 2022

Dear Aarush Garg,

Thank you for your continued commitment to the Under 19 training programme being run in preparation for the Under 19 World Cup Qualifiers. We are now at a stage that we need to select a travelling squad of 14 for the tournament.

I'd like to congratulate you on being selected in the squad of 14 to travel to Oman and compete at the U19 World Cup Qualifiers.

The tournament is a great opportunity for the team to represent Hong Kong and pursue qualification for World Cup Qualifiers - Asia Division 1. There is still a lot of hard work required from all members of the squad to ensure you prepare as best as possible for the upcoming tournament.

I'd like to take this opportunity to remind you that there will be other members of the squad that have not been selected in the travelling 14 at this stage and to be empathetic towards the way they may be feeling.

There are still a number of Under 19 tournaments on the horizon. If the team qualifies the next qualifying tournament will be in March 2023. We expect an ACC U19 Eastern Region Tournament to be scheduled in 2023, in addition to this, bi-lateral series may be arranged with other nations in the Asia Region. Selection will be made tournament by tournament.

Congratulations once again, keep working hard in preparation for the tournament and all the best for the tournament itself.

Hong Kong Under 19 Squad – ICC U19 World Cup Qualifiers 2022 – Asia Division 2

Travelling Squad:

1. Aarush GARG
2. Abdul Samad KHAN
3. Ahan TRIVEDI
