Dear Aarush

Congratulations on your fantastic performance in the Hamilton Olympiad 2022! Your score of 38 has earned you a Silver Medal and a book prize! The book title is 'Introduction to Algebra' by Jeremy King. This is a great achievement and you, and your school, should be very proud.

Full solutions are available from your teacher.

We hope you enjoyed the paper. If you would like to practice more of this style of paper you can find our past papers at:

You may also be interested in one of the UKMT mentoring schemes, where a sheet of problems is sent out each month. Please speak to your teacher if you are interested.

We hope that you continue to enjoy maths problems!

Congratulations again!

Kind regards
